PROFESSOR HEMING will respectfully attract the attention of the Hongkong Public to the importance of having the Hair Cut, and Dressed in an Artistic manner and style. As every Individual in the care of the Hair, there can be no finer result than without destroying almost entirely the harmony of the face, especially in the case of the human head, are found out. The Professor will be pleased to receive the sum of £100 for his services. This fact is noted in the Hongkong Times, and the Professor is the only Hair-Cutter who possesses an inherent judgment in matters of taste, cultivated and improved by incessantly and application. Of this fact, the Professor is the only one, and the Only one, in this City, and modestly but confidently invites all who may be distrustful of his ability to give him at least a trial before pronouncing an adverse opinion. He may be found at all times at the day in his Apartments adjoining the Private Entrance of the Oriental Hotel.

BEING obliged to leave Hongkong on account of illness, I recommend all my patients who are in Hongkong, to Dr. D. B. D. D. and Mr. H. H. H. who thoroughly understands his practice.
